

The background of the entire image is a photograph of soccer players in action on a field, overlaid with a semi-transparent red filter. A large, diagonal graphic element, consisting of a light blue and a dark blue stripe, runs from the top-left towards the bottom-right. The Patrick logo, a stylized white 'P' with three horizontal lines above it, is positioned on the left side of the diagonal stripe.

HISTORY

“Patrick, l’Esprit du Sport”, originally a French brand, was founded in **1892** by Patrice Beneteau. With a lifespan of over a hundred years, the brand can look back on an extremely rich history. Famous soccer players like Platini, Keegan, Papin preferred Patrick shoes. Patrick made different shoes for **all kinds of sports disciplines** such as rugby, cycling, squash and athletics. The shoes were manufactured in a small factory in Vendée, France. As soccer and cycling were big and growing at that time, Patrick produced and distributed their patented line, famous for the **2 stripes** at the side of the shoe.
